POTENTIAL ANNUAL GROSS REVENUE

Small weekly volume. Meaningful year-round potential.

MORE VALUE FROM YOUR EXAM ROOM

The Envi Enviview combines everyday slit lamp examination with digital imaging and documentation capabilities, helping your practice get more value from equipment already central to patient care. Even modest imaging volume can help create a clearer path toward equipment payback.

INFRARED MEIBOGRAPHY

Supports dry-eye
evaluation and follow-up

12 MP IMAGING

High-resolution clinical
image capture
